

Metra Electronics

IMPORTANT LEGAL INFORMATION: California Proposition 65 Warning Requirements – Your response is required

Proposition 65, officially known as the Safe Drinking Water and Toxic Enforcement Act of 1986, was enacted as a ballot initiative in California in November of 1986. The purpose of the proposition is to protect the State's drinking water sources from being contaminated with chemicals known to cause cancer, birth defects or other reproductive harm, and it requires businesses to inform Californians about exposure to such chemicals. The California Office of Administrative Law approved an adoption of amendments to the regulation that became operative on August 30, 2018. In addition to other changes, the revised regulation includes updated labeling guidelines for consumer products manufactured on or after August 30, 2018. For more information, please visit www.P65.warnings.ca.gov.

For products that you have acquired from Metra Electronics, it is your responsibility to ensure that the appropriate label and the required online warning are in compliance with Proposition 65 per 27 CCR 25602 Consumer Product Exposure Warnings- Methods of Transmission requirements.

<https://oehha.ca.gov/media/downloads/crnrt/art6regtextclean090116.pdf>

Most Metra Electronics products have been assigned a short form or truncated warning for Proposition 65 and likewise require the same warning to be listed for brochures and online sales.

If you repackage or relabel products from Metra Electronics, we require you to use the same warning on those products and request that you follow the same guidelines regarding the warning format. An "on product warning" requires all of the following elements:

1. A symbol consisting of a black exclamation point in an equilateral triangle with a bold black outline placed to the left of the text of the warning, in no size smaller than the height of the word "**WARNING**";
2. The word "**WARNING**" in all capital letters and bold print followed by the appropriate label as identified by Metra Electronics:
 - a. "Cancer- www.P65Warnings.ca.gov"
 - b. "Reproductive harm- www.P65Warnings.ca.gov"
 - c. "Cancer and Reproductive harm- www.P65Warnings.ca.gov"
3. The entire warning is no smaller than the smallest font point size **and in no case smaller than 6-point**;
4. The warning is provided in all languages as used to provide the on package "consumer information"

WOOD DUST WARNING EXAMPLE:

 **WARNING:** Drilling, sawing, sanding or machining wood products can expose you to wood dust, a substance known to the State of California to cause **CANCER**. Avoid inhaling wood dust or use a dust mask or other safeguards for personal protection. For more information go to www.P65Warnings.ca.gov/wood
